

November 17, 2019

Good morning! We are glad you have chosen to worship with us today. Our church is dedicated to serving our community and hopefully you will experience that as you worship with us. One example of that is our Thanksgiving Basket drive. Another is the Christmas Shoebox Campaign for children in Haiti who are served by New Mission Ministries. We are better when we work together.

You have the opportunity today to grow your faith and be encouraged by new friends. Our worship team and band will lead in singing vibrant, encouraging music. God loves you and has a wonderful plan for your life. Sunday morning can be a nice boost for your soul and one of the best hours of your week.

If you are visiting with us for the first time today, please fill out a Communication Card from the back of the pew and place it in the offering plate. Or, if you have prayer requests that you would like to share with our prayer team, you can put that on the Communication Card as well and someone will be praying for your request throughout the week.

Thanks again for being here and feel free to enjoy a cup of coffee or tea in the foyer. Pastor Billy

A Common Faith Question

Am I good enough to go to heaven?

Nope. Not on your own. But the great news is that you don't have to try to go it alone! Although it may sound harsh, the Bible says no one is good enough to go to heaven on their own. According to scripture, even our good deeds are like filthy rags. (Isaiah 64:6) It also says that all men have gone astray (Isaiah 53:6), all have sinned (Romans 3:23), and none are worthy (Romans 3:10).

Which makes the love of God even that much sweeter.

You're not good enough to go to heaven on your own, but Jesus has prepared the way for you. He lived the perfect life you couldn't live, and died the death you should've died, paying the sacrifice you couldn't pay.

You're not good enough to get to heaven on your own, but Jesus is. And He says, "Follow me." (Matthew 16:24)

Nursery Available

We have a well-staffed preschool area for bed babies until before Kindergarten. They have a safe, fun learning area and study a lesson each week. It is more than babysitting. They are disciples too! All volunteers who work with minors have had background checks and training.
